GENERAL REGULATIONS GOVERNING EXAMINATIONS FOR ALL UNDERGRADUATE PROGRAMMES

Awarding of Credits:

Where a student passes the year according to the Pass and Progression Rules, he/she shall be awarded 60 credits. Students who fail a module(s) but satisfy the Pass and Progression Rules will be awarded 60 credits and the judgement recorded for failed module(s) will be Pass by Compensation.

Absence from an Examination in a Module:

Registration at the beginning of an academic year constitutes entry for the Formal Examinations. All repeat students are required to present for examination in the then current programmes in their relevant subject(s)/module(s).

A student who is prevented for medical reasons or other personal circumstances from attending all or part of the Formal Examination, and who has not withdrawn from the programme, should submit to the Registrar and Vice-President for Academic Affairs a full report (including a medical certificate) or a full report setting out the other personal circumstances as soon as possible and not more than three days following his/her last Examination, for consideration by the Board of Examiners. Students who are pregnant may defer the entire examination from the Formal Examination to the Autumn Supplemental Examination, however, such students may not split examinations between Formal Examination and Autumn Supplemental Examination.

Where a student fails to present for a Formal or Supplemental Written Examination in a module, a judgement of "Absent" is recorded for that module. "Absent" is counted as an attempt at an examination. Where a module is examined by a combination of Continuous Assessment and End of Year Written Examination, and the student does not present for the End of Year Written Examination, an "Absent" judgement and the mark for Continuous Assessment are recorded. The mark recorded for the module is then based on the mark for Continuous Assessment and a zero mark for the written component, using the rules for obtaining the overall module mark which pertain to the module in question. Where a module is assessed wholly by Continuous Assessment, and the student presents no work, a "Presented No Work" judgement is recorded.

Supplemental Examinations:

Candidates who fail their Formal Examination, or who fail to present, will be automatically entered for the Autumn Supplemental Examination, unless debarred by the Examination Board. Students not so debarred must inform the Student Records and Examinations Office, in writing, before the end of July if they do not intend sitting the Autumn Supplemental Examination. Where a student fails to inform the Student Records and Examinations Office of his/her intention not to sit the Autumn

Supplemental Examination, a judgement of “Absent” is recorded for module(s). “Absent” is counted as an attempt at an examination.

Repeat Year Arrangements 2016:

Students repeating the year in 2016 will repeat under the current regulations (i.e. the regulations outlined in the Marks and Standards 2016 Book).

Application for Waiver of Capping of Marks:

The requirement for the ***capping of marks*** awarded for a module at a Supplemental Examination or, where applicable, Repeat Year Examination may be waived under certain specified circumstances (see ‘Examination Regulations and Procedures: Implementation Handbook for Students’ for details: http://www.ucc.ie/en/media/support/recordsandexaminations/exams/ExaminationRegulationsandProcedures_HandbookForSTUDENTS-v-Mar-v6.pdf)

THIRD UNIVERSITY EXAMINATION in LAW AND FRENCH	
<i>Time:</i>	Examinations in approved courses of study shall be undertaken at the host institution in France. Marks shall be submitted to the Autumn Examination Board, with a Supplemental Board in Winter. Where candidates are found by the Board of Studies to be in breach of the rules governing their study at the host institution (as documented in the UCC Calendar and in relevant documentation provided to students going abroad by the International Education Office/School of Law), which includes failing to return their Learning Agreements in due time, their case can be referred to the Summer Examination Board for a preliminary assessment. The Summer Examination Board will recommend an appropriate course of action, including where appropriate deeming these students not to be eligible to have their results forwarded to the Autumn Board. In a case where there has been a breach of the relevant rules, the Autumn Board also has the power to recommend an appropriate course of action, including (but not limited to) requiring the student to repeat the year.
<i>Pass and Progression Standard (programme level):</i>	During the year abroad, examinations will be taken in the host university as approved by the Director of the BCL (Law and French) and as set out in the Learning Agreements for each term, to be signed by each student, signed on behalf of the host institution and the Law School, UCC, and returned to UCC in due time. To pass Third Year and progress to Fourth Year, students must achieve a satisfactory performance in these examinations (as determined by the Autumn Examination Board following consultation with the host institution). Students failing to achieve an overall aggregate pass will undertake appropriate alternative assessments agreed by the Director of the BCL (Law and French) and the Head of the Law School, in consultation with the Head of the Department of French, in advance of the Winter Examination Board, which can include re-assessment by the host institution. Where, however, a student has failed to take the requisite number of courses or has failed to attend approved examinations such that the requisite number of credits cannot be achieved, or in very serious cases where, in the view of the Director of the BCL (Law and French) and the Head of the School of Law, the student has not made a genuine attempt to pass the Third Year, the student's record may be referred to the Summer Board for a preliminary assessment. In such a case,

THIRD UNIVERSITY EXAMINATION in LAW AND FRENCH	
	the Summer Board shall recommend an appropriate course of action, including (but not limited to) requiring the student to repeat the year. The Autumn Board shall also have power to determine that, in light of the scale of a student's failure to meet the requisite standard in the approved examinations, an assessment by means of alternative assessments in advance of the Winter Board is not appropriate on academic grounds, so that the student would be required to repeat the year. A student who has failed to obtain an overall pass in the year abroad, and at the Winter Board has been deemed to have failed the alternative assessments set for him or her, shall be deemed to have failed the Third University Examination for the BCL (Hons) (Law and French) Degree. Such students shall be required to repeat the Third University Examination through appropriate project work, assignments and/or other assessments agreed by the Director of the BCL (Law and French) and the Head of the Law School, in consultation with the Head of the Department of French in advance of the next year's Summer Examination Board (with an Autumn Supplemental Examination for students who fail in this repeat year).
Honours:	Students will not be granted honours and will not be ranked in the Third University Examination for the BCL (Hons) (Law and French) Degree.
Three Year Rule:	Candidates must pass/progress within three academic years of the date of first registration for Third Year, otherwise they cannot continue in the programme.

Students failing to achieve an overall aggregate pass (and, in the case of Path (ii), whose failure is not limited to their UCC modules) will undertake appropriate alternative assessments agreed by the Director of the BCL (Law and Irish) and the Head of the Law School, in consultation with the Head of the Department of Modern Irish, in advance of the Winter Examination Board, which can include re-assessment by the host institution. Where, however, a student has failed to take the requisite number of courses or has failed to attend approved examinations such that the requisite number of credits cannot be achieved, or in very serious cases where, in the view of the Director of the BCL (Law and Irish) and the Head of the School of Law, the student has not made a genuine attempt to pass the Third Year, the student's record may be referred to the Summer Board for a preliminary assessment. In such a case, the Summer Board shall recommend an appropriate course of action, including (but not limited to) requiring the student to repeat the year. The Autumn Board shall also have power to determine that, in light of the scale of a student's failure to meet the requisite standard in the approved examinations abroad, an assessment by means of alternative assessments in advance of the Winter Board is not appropriate on academic grounds, so that the student would be required to repeat the year. A student who has failed to obtain an overall pass at the Autumn Examination Board, and at the Winter Board has been deemed to have failed the alternative assessments set for him or her, shall be deemed to have failed the Third University Examination for the BCL (Hons) (Law and Irish) Degree. Such students shall be required to repeat the Third University Examination through appropriate project work, assignments and/or other assessments agreed by the Director of the BCL (Law and Irish) and the Head of the Law School, in consultation with the Head of the Department of Modern Irish, in advance of the next year's Summer Examination Board (with an Autumn Supplemental Examination for students who fail in this repeat year).

Where candidates are found by the Board of Studies to be in breach of the rules governing their study at the host institution (as documented in the UCC Calendar and in relevant documentation provided to students going abroad by the International Education Office/School of Law), which includes failing to return their Learning Agreements in due time, their case can be referred to the Summer Examination Board for a preliminary assessment. The Summer Examination Board will recommend an appropriate course of action, including where appropriate deeming these students not to be eligible to have their results forwarded to the Autumn Board. In a case where there has been a breach of the relevant rules, the Autumn Board also has the power to recommend an appropriate course of action, including (but not limited to) requiring the student to repeat the year.
Pass and Progression Standard (programme level):	During the year abroad, examinations will be taken in the host university as approved by the Director of the BCL (International) and as set out in the Learning Agreements for each term, to be signed by each student, signed on behalf of the host institution and the Law School, UCC, and returned to UCC in due time. To pass Third Year and progress to Fourth Year, students must achieve a satisfactory performance in these examinations (as determined by the Autumn Examination Board following consultation with the host institution). In such a case, the Summer Board shall recommend an appropriate course of action, including (but not limited to) requiring the student to repeat the year. The Autumn Board shall also have power to determine that, in light of the scale of a student's failure to meet the requisite standard in the approved examinations, an assessment by means of alternative assessments in advance of the Winter Board is not appropriate on academic grounds, so that the student would be required to repeat the year.
