UNDERGRADUATE PROGRAMMES

MB, BCH BAO

FIRST UNIVERSITY EXAMINATION IN MEDICINE	
Time:	End of module written examinations will be held either at end of Semester 1 or end of Semester 2. Specific details contained in the Book of Modules. Marks for all modules, including those wholly assessed by Continuous Assessment, will be presented to the Summer Examination Board. For students failing to achieve the pass standard for the year at the Summer Examination, there will be a Supplemental Examination in Autumn with an Autumn Examination Board.
Modules:	Students take 60 credits as detailed at: http://www.ucc.ie/academic/calendar/medicine/med002.html
Marks Maxima:	100 per five credit module, 200 per ten credit module, 300 per fifteen credit module, 400 per twenty credit module. Total Marks: 1200.
Distribution of Marks:	Distribution of marks and assessment details (including End of Year Written Examination Profile) for individual modules are contained in the <i>Book of Modules</i> , (www.ucc.ie/academic/modules). Oral, if required – Students may, at the discretion of the responsible department(s), be required to take an oral examination in any given module(s). This will apply for borderline pass/fail and borderline honours candidates as well as for potential first class honours candidates. Based on the oral examination, the candidate's marks may be adjusted within a narrow band as determined by the Medical School.
Pass Standard (module level):	The pass standard for each module is 50%. Special Requirements for individual modules, if any, are detailed in the <i>Book of Modules</i> , (www.ucc.ie/academic/modules/).
Pass and Progression Standard (programme level):	To pass the First University Examination and progress to Second Year, a candidate must: (i) obtain an overall aggregate pass of 600/1200 marks i.e. 50% across all modules (ii) obtain a pass in each of the following modules HC1002; CP1090; CP1080; FM1010; FM1020; FM1030; FM1040 (iii) obtain a mark of not less than 45% in any remaining module(s) (iv) Have satisfied the Fitness to Practise requirements
Honours:	<p>Honours will be awarded in individual modules at the Summer Examination provided the student has passed the Examination, and that the student has taken the Examination for the first time and at the first opportunity.</p> <p>The grade of honours to be awarded shall be determined as follows:</p> <p>20 credit module First Class: at least 70% (i.e. at least 280/400 marks)</p> <p>20 credit module Honours: at least 60% but less than 70% (i.e. at least 240/400 marks but less than 280/400 marks)</p> <p>15 credit module First Class: at least 70% (i.e. at least 210/300 marks)</p> <p>15 credit module Honours: at least 60% but less than 70% (i.e. at least 180/300 marks but less than 210/300 marks)</p> <p>10 credit module First Class: at least 70% (i.e. at least 140/200 marks)</p> <p>10 credit module Honours: at least 60% but less than 70% (i.e. at least 120/200 marks but less than 140/200 marks)</p> <p>5 credit module First Class: at least 70% (i.e. at least 70/100 marks)</p> <p>5 credit module Honours: at least 60% but less than 70% (i.e. at least 60/100 marks but less than 70/100 marks)</p> <p>Honours will not be awarded at the Autumn Supplemental Examination, or in a repeat year.</p> <p style="text-align: center;">AT THE FIFTH UNIVERSITY EXAMINATION, HONOURS ARE AWARDED BY MODE A or MODE B:</p> <p>Award of First Class Honours or Honours by Mode A is based on the attainment of First Class Honours or Honours standard in the total marks of modules taken at the Fifth University Examination only (see full details under Fifth University Examination).</p> <p><u>Students who are not eligible for the Award of Honours by Mode A may be eligible for the award of Honours by Mode B as follows:</u></p> <ul style="list-style-type: none"> • First Class Honours Mode B is based on the attainment of First Class Honours in all modules listed in the University Calendar, equivalent to 70% (i.e. 210 credits)

FIRST UNIVERSITY EXAMINATION IN MEDICINE	
	<p>of the total (300 credits) taken over the five years of the Medical Programme. The standard for First Class Honours in individual modules is 70%. This standard must be achieved independently for each module counted towards Mode B.</p> <ul style="list-style-type: none"> • Honours Mode B is based on the attainment of Honours in all modules listed in the University Calendar, equivalent to 70% (i.e. 210 credits) of the total (300 credits) taken over the five years of the Medical Programme. • Exempt modules will not be credited towards the award of Honours Mode B. The standard for Honours in individual modules is 60%. This standard must be achieved independently for each module counted towards Mode B. <p><i>Note: Under Mode B, candidates may be awarded honours only in those modules in which the Examination was passed as a whole at the first attempt, and in which each module was passed independently at the first attempt, provided also that the Final Medical Examination is undertaken in minimum time after commencing study of Medicine (this proviso may be modified on the recommendation of the Academic Council in cases of illness or other grave cause). Exempt modules will not be credited towards the award of Honours Mode B.</i></p>
Exemptions:	All passed modules carry an exemption, which is limited to a period of five academic years subsequent to the award of the exemption.
Supplemental Examinations:	<p>Please refer to the <i>Book of Modules</i> (www.ucc.ie/academic/modules) for requirements governing the Supplemental Examination for individual modules. Students who fail to achieve the pass standard for the year at the immediately preceding Summer Examination must repeat all failed/absent modules at the Supplemental Examination, where there is provision to do so and if not disallowed by the Examination Board, or in a Repeat Year (see below). Marks from all passed modules are carried forward to the Supplemental Examination. The pass/progression rule is then applied to the combination of marks carried forward in passed modules and marks obtained in repeated modules.</p> <p><i>Capping of Marks at a Supplemental Examination:</i> In determining aggregation and progression, the maximum mark that will be taken into account is a pass (50%). The actual mark achieved by the candidate will be recorded on the student record.</p>
Repeat Year Examinations:	If a student fails to progress and is allowed to repeat the year all failed/absent modules must be taken in the repeat year. In determining aggregation and progression, all modules taken in a repeat year are capped at the pass mark – 50%. Honours are not awarded in a repeat year.
Two Year Rule:	<p>Students must pass/progress within two academic years of first registration for each year of the programme. Students of Medicine are allowed to repeat a year after failing a re-sit examination only twice during their studies in University College Cork. Students of Medicine are not allowed two repeat years within the first three years of the programme. Therefore, students must complete the first three years of study within a maximum of four years (that is a maximum of one repeat year is allowed in the first three years). Furthermore, students must complete their studies within seven years of registering for the First Medical Year. Exceptions to this rule may be granted by the College of Medicine and Health only for very serious reasons.</p>

SECOND UNIVERSITY EXAMINATION IN MEDICINE	
Time:	End of Module Written Examinations will be held either at end of Semester 1 or end of Semester 2. Specific details contained in the Book of Modules. Marks for all modules, including those assessed by Continuous Assessment, will be presented to the Summer Examination Board. For students failing to achieve the pass standard for the year at the Summer Examination, there will be a Supplemental Examination in Autumn with an Autumn Examination Board.

DIPLOMA IN SPEECH AND HEARING SCIENCES SECOND YEAR	
	Please note: Students who take the non-clinical exit, and pass SL2002 at the first attempt will not have their marks capped at 50%. Students who fail SL2002 at the first attempt in the Autumn examination must repeat the module in a Repeat Year, for the Summer examination, and will have their marks capped at 50%.
<i>Repeat Year Examinations:</i>	Students who fail to achieve the pass standard for the year may repeat failed modules in the Autumn Supplemental Examination, where there is provision to do so and if not disallowed by the Examination Board, or in a Repeat Year, to achieve the pass standard for the year. All repeated modules at an Autumn Supplemental Examination or in a repeat carry a maximum mark of 50%. Please refer to the <i>Book of Modules</i> for the requirements governing the Autumn Supplemental Examination for individual modules. A maximum of two attempts at the examination requirements will be allowable in any module.
<i>Two Year Rule:</i>	Students must pass/progress within two academic years of first registration for each year of the programme. Students are permitted to repeat any academic year once only and may not repeat any more than two academic years in any one programme. Thus, students must complete their studies ordinarily within six years of the First Year of the BSc (Hons) (Speech and Language Therapy) programme.

BSc (HONS) MIDWIFERY DEGREE

FIRST UNIVERSITY EXAMINATION IN MIDWIFERY	
Time:	Marks for all modules, including those wholly assessed by Continuous Assessment, will be presented to the Summer Examination Board. For students failing to achieve the pass standard for the year at the Summer Examination in Part A, there will be a Supplemental Examination in Autumn with an Autumn Examination Board. Part B: Results for Part B will be presented to a Summer Examination Board; there will be Supplemental Examination in Autumn with an Autumn Examination Board.
Modules:	Students take 60 credits as detailed at: http://www.ucc.ie/academic/calendar/medicine/med014.html
Marks Maxima:	100 per five credit module, 200 per ten credit module, 300 per fifteen credit module. Total Marks: 1000. The practice placement module (NU1056) is assessed on a Pass/Fail basis.
Distribution of Marks:	Distribution of marks and assessment details (including End of Year Written Examination Profile) for individual modules are contained in the <i>Book of Modules</i> (www.ucc.ie/academic/modules/).
Pass Standard (module level):	The pass standard for each module in Part A is 50%. The pass standard for Part B is a Pass Judgement. Special Requirements for individual modules, if any, are detailed in the <i>Book of Modules</i> (www.ucc.ie/academic/modules/).
Pass and Progression Standard (programme level):	To pass the First University Examination and progress to Second Year, a candidate must: (i) obtain an overall aggregate pass of 50% (i.e. 500/1000 marks) across all modules in Part A, (ii) obtain a pass in each module in Part A in modules to the value of at least 40 credits from 50 credits in Part A, (iii) obtain a mark of not less than 45% in any remaining module(s) in Part A, and (iv) obtain a pass in the practice placement module (NU1056).
Carrying Forward of Marks Towards the Final Degree Award:	10% of the overall aggregate marks obtained in Part A modules at the First University Examination in Midwifery (maximum 100 marks) shall be added to the respective percentages of the aggregate marks obtained in the subsequent examinations for the calculation of the Final BSc Midwifery (Hons) Degree Award. A pro-rata calculation will apply to students who transfer from other third level institutions into the programme.
Honours:	Honours are not awarded in Years 1, 2 and 3. Honours for the programme are awarded at the end of Year 4.
Exemptions:	All passed modules carry an exemption, which is limited to a period of five academic years subsequent to the award of the exemption.
Supplemental Examinations:	<ul style="list-style-type: none"> • Please refer to the <i>Book of Modules</i> (www.ucc.ie/academic/modules/) for requirements governing the Supplemental Examination for individual modules. <i>Note: for some modules there is no Supplemental Examination.</i> • Students who fail to achieve the pass standard for the year in Part A at the immediately preceding Summer Examination must repeat all failed/absent modules at the Supplemental Examination, where there is provision to do so and if not disallowed by the Examination Board, or in a Repeat Year (see below). Marks from all passed modules are carried forward to the Supplemental Examination. • The pass/progression rule is then applied to the combination of marks carried forward in passed modules and marks obtained in repeated modules. • Students failing Part B (the practice placement module) at the Summer Examination Board due to extenuating circumstances (e.g. sick leave) may have an Incomplete Placement Judgement (IP) recorded until the Autumn Examination Board, after which a Pass, Fail or Absent Judgement will be awarded. Students failing to achieve a pass judgement in Part B (i.e. where a fail, absent or incomplete judgement is recorded) at the Autumn Examination Board will be required to repeat the year (see below), as prescribed by the School of Nursing and Midwifery. • <i>Capping of Marks at a Supplemental Examination:</i> In determining aggregation and progression, the maximum mark that will be taken into account is a pass - 50%. The actual mark achieved by the candidate will be recorded on the student record.
Repeat Year Examinations:	If a student fails to progress and is allowed to repeat the year, all failed/absent/incomplete modules must be taken in the Repeat Year. In determining aggregation and progression, all modules taken in a Repeat Year are capped at the pass mark -50%. Honours are not awarded in a Repeat Year. Any individual year can be repeated only once, however, a maximum of two failed years may be repeated during a student's programme of studies (see <i>Two Year Rule</i> below).

FIRST UNIVERSITY EXAMINATION IN MIDWIFERY	
<i>Two Year Rule:</i>	Students of Midwifery must pass/progress within two academic years of first registration for each year of the programme, otherwise they cannot continue in the programme. After failing a resit examination, students may be allowed to repeat the year. Any individual year can be repeated only once, however, a maximum of two failed years may be repeated during a student's programme of studies. Thus, students must complete their studies ordinarily within six years of registering for the First Year of the BSc (Hons) Midwifery Degree programme.

SECOND UNIVERSITY EXAMINATION IN MIDWIFERY	
Time:	Marks for all modules, including those wholly assessed by Continuous Assessment, will be presented to the Summer Examination Board. For students failing to achieve the pass standard for the year at the Summer Examination in Part A, there will be a Supplemental Examination in Autumn with an Autumn Examination Board. Part B: Results for Part B will be presented to the Autumn Examination Board, with a Winter Supplemental Examination.

	Supplemental Examination, where there is provision to do so and if not disallowed by the Examination Board.. Marks from all passed modules are carried forward to the Supplemental Examination. • The pass/progression rule is then applied to the combination of marks carried forward in passed modules and marks obtained in repeated modules. • Students who fail to achieve the pass standards in Part B (at the first attempt) at the Summer or Autumn Examination Board will be required to repeat the module, as prescribed by the School of Nursing and Midwifery. • <i>Capping of Marks at a Supplemental Examination:</i> In determining aggregation and progression, the maximum mark that will be taken into account is a pass - 50%. The actual mark achieved by the candidate will be recorded on the student record.
<i>Repeat Year Examinations:</i>	In determining aggregation and progression, marks for Part B are capped at the pass mark -50%. Any individual year can be repeated only once, however, a maximum of two failed years may be repeated during a student's programme of studies (see <i>Two Year Rule</i> below).
<i>Two Year Rule:</i>	Students of BSc Health Studies (Women's Health) must pass/progress within two academic years of first registration for each year of the programme, otherwise they cannot continue in the programme. After failing a resit examination, students may be allowed to repeat the year. Any individual year can be repeated only once, however, a maximum of two failed years may be repeated during a student's programme of studies. Thus, students must complete their studies ordinarily within six years of registering for the First Year of the BSc (Hons) Midwifery Degree programme.

Exemptions:	All passed modules carry an exemption, which is limited to a period of five academic years subsequent to the award of the exemption.
Supplemental Examinations:	Please refer to the Book of Modules for requirements governing the Supplemental Examination for individual modules. Note: for some modules there is no Supplemental Examination. <ul style="list-style-type: none"> ○ Students who fail to achieve the pass standard for the year in Part A at the immediately preceding Summer Examination Board must repeat all failed/absent modules at the Supplemental Examination, where there is provision to do so and if not disallowed by the Examination Board, or in a Repeat Year (see below). There will be a Supplemental Examination for Part B (the practice placement module) with a Winter(November) Examination Board. Students who fail to complete Part B (the practice placement module) at the Autumn Examination Board due to extenuating circumstances (e.g. sick leave), may have an Incomplete Placement Judgement (IP) recorded until the Winter (November) Examination Board, after which a Pass, Fail or Absent Judgement must be awarded. Students failing to achieve a pass judgement in Part B at the Winter (November) Examination Board will be required to complete Part B in a repeat year (see below), as prescribed by the School of Nursing and Midwifery. ○ The pass/progression rule is then applied to the combination of marks carried forward in passed modules and marks obtained in repeated modules. ○ Capping of Marks at a Supplemental Examination: In determining aggregation the maximum mark that will be taken into account is a pass - 50%. The actual mark achieved by the candidate will be recorded on the student record.

FOURTH UNIVERSITY EXAMINATION IN NURSING (Integrated Children's and General only) from academic year 2015-16	
<i>Repeat Year Examinations:</i>	If a student fails to progress and is allowed to repeat the year, all failed/absent modules must be taken in the Repeat Year. In determining aggregation and progression, all modules taken in a Repeat Year are capped at the pass mark -50%. Honours are not awarded in a Repeat Year. Any individual year can be repeated only once, however, a maximum of two failed years may be repeated during a student's programme of studies (see <i>Two Year Rule</i> below).
<i>Two Year Rule:</i>	Students of Nursing (Integrated Children's and General) must pass/progress within two academic years of first registration for each year of the programme, otherwise they cannot continue in the programme. After failing a resit examination, students may be allowed to repeat the year. Any individual year can be repeated only once, however, a maximum of two failed years may be repeated during a student's programme of studies. Thus, students must complete their studies ordinarily within six and a half years of registering for the First Year of the BSc (Hons) Nursing. A student on the Integrated Children's and General programme may not graduate without achieving a pass in the Fifth University Examination involving a practice placement module.

FIFTH UNIVERSITY EXAMINATION IN NURSING (Integrated Children's and General only) from academic year 2016-17	
Time:	Results for the practice placement module (NU5075) will be presented to an Examination Board in January/February. For students failing to achieve the pass standard for the year at the January/February Examination Board, there will be a Supplemental Examination and results will be presented to the next available Examination Board within the academic year.
Modules:	Students take 20 credits (NU5075) as detailed at: http://www.ucc.ie/academic/calendar/medicine/med004ab.html
Marks Maxima:	The Practice placement module (NU5075) is assessed on a Pass/Fail basis.
Distribution of Marks:	Distribution of marks and assessment details (including End of Year Written Examination Profile) for individual modules are contained in the <i>Book of Modules</i> (www.ucc.ie/academic/modules/).
Pass Standard (module level):	The pass standard is a Pass Judgement.
Pass and Progression Standard (programme level):	To pass the BSc (Hons) Nursing (Integrated Children's and General) Degree Year 5 Examination a candidate must obtain a pass in the practice placement module (NU5075) at the Fifth University Nursing Examination. Note: A student may not graduate without achieving a pass in the BSc Nursing (Hons) Fifth University Examination.
Carrying Forward of Marks Towards the Final Degree Award:	The respective percentages of the aggregate marks obtained in the First, Second, Third and Fourth University Examinations will be carried forward for the calculation of the final BSc Nursing (Hons) Degree Award.
Honours:	Honours for the programme (Final BSc (Hons) Nursing (Integrated Children's and General) Degree Award) are awarded at the January/February Examination Board provided that the student has passed Part B (practice placement module) examination. The grade of Honours to be awarded shall be determined as follows: First Class: an aggregate of at least 675 out of 965 marks in Part A (i.e. 70% and above) + a Pass in the practice placement module; Second Class Honours Grade I: an aggregate of at least 579 out of 965 marks in Part A (i.e. 60% and above but less than 70%) + a Pass in the practice placement module; Second Class Honours Grade II: an aggregate of at least 530 out of 965 marks in Part A (i.e. 55% and above but less than 60%) + a Pass in the practice placement module; Pass Grade: an aggregate of at least 482 out of 965 marks in Part A (i.e. 50% and above but less than 55%) + a Pass in the practice placement module. PHD CLINICAL AND TRANSLATIONAL RESEARCH PROGRAMME

FIRST UNIVERSITY EXAMINATION	
Time:	Results for taught modules, laboratory and clinical research facility placements (50 credits) will normally be presented to the Summer Examination Board. For students failing to achieve the pass standard for the year at the Summer Examination Board, there will be a Supplemental Examination in Autumn and results will be considered by the Autumn Examination Board. The result of the industry placement, Module SH 7005 (20 credits) will be presented to the Autumn exam board
Modules:	Students take modules to the value of 70 credits as listed in the University Calendar http://www.ucc.ie/calendar/postgraduate/Doctor/page023.html , and spend the remainder of their time on their PhD research.
Marks Maxima:	No marks; Modules are assessed on a Pass/Fail basis.
Distribution of Marks:	Assessment details for individual modules are contained in the Book of Modules http://www.ucc.ie/modules/
Pass Standard (module level):	A Pass judgement. Special Requirements for individual modules, if any, are detailed in the Book of Modules.
Pass and Progression Standard (programme level):	In order to pass first year and progress to second year a candidate must obtain a pass in all modules. Candidates failing these modules at the Autumn Supplemental Examination Board must withdraw from the programme. The results of SH7005 will be considered for the first time by the Autumn exam board, if unsuccessful this module may be carried forward with reconsideration of the assessment by the Summer exam board of the following year. Candidates failing SH7005 at the subsequent Summer Examination Board must withdraw from the programme. In exceptional circumstances such as for example a late entrant to the programme, where it is not possible to complete the core modules in year 1, the missed core modules may be taken in year 2 contingent on successful completion of all other Year 1 modules.
Honours:	Honours are not awarded in first year
Award of Postgraduate Diploma:	Students who have passed Year One (70 credits) of the programme may, following consultation with their supervisor, the local programme steering committee and the MMI programme steering committee, at any point during the programme, choose to withdraw from the PhD in Clinical and Translational Research and exit with a Postgraduate Diploma in Clinical and Translational Research.

Placements are not repeated, supplemental examination of placement modules is based on resubmission of the failed placement report.
Repeat Year	There is no opportunity to repeat the year.
One Year Rule:	Due to the cyclical nature of the PhD Scholars Programme in Clinical and Translational Research, a maximum of two attempts to pass specified modules is permitted. Therefore a student who fails to pass after two attempts will be unable to proceed and must withdraw from the PhD programme.

FOURTH UNIVERSITY EXAMINATION	
Award of PhD	Students will normally submit their thesis at the end of their fourth year. The examiner's report on the thesis examination will be forwarded to the Academic Council Graduate Studies Committee. The final PhD award will be based on the Thesis in accordance with UCC's General Regulations governing PhD programmes detailed here .

MASTERS DEGREES

MCh SURGICAL SCIENCE

	FIRST UNIVERSITY EXAMINATION
Time:	Marks for all modules, including those wholly assessed by Continuous Assessment, will be presented to the Summer Examination Board. For students failing to achieve the pass standard for the year at the Summer Examination, there will be a Supplemental Examination in Autumn with an Autumn Examination Board.
Modules:	Students take 30 credits as listed here
Marks Maxima:	100 per five-credit module, 200 per ten-credit module, 300 per fifteen credit module. Total Marks: 600
Distribution of Marks:	Distribution of marks and assessment details (including End of Year Written Examination Profile) for individual modules are contained in the <i>Book of Modules</i> , (www.ucc.ie/academic/modules).
Pass Standard (module level):	The pass standard for each module is 50%. Special Requirements for individual modules are detailed in the <i>Book of Modules</i> , (www.ucc.ie/academic/modules).
Pass and Progression Standard (programme level):	<p>(i) In order to pass year one of the MCh in Surgical Science and progress to year two, a candidate must pass taught modules to the value of 30 credits. All modules must be passed.</p> <p>On successful completion of 30 credits in Year 1, students may opt to exit the programme and be conferred with a Postgraduate Certificate in Surgical Science.</p> <p>To pass the Postgraduate Certificate in Surgical Science, a student must:</p> <p>(i) Achieve a pass in taught modules to the value of 30 credits. All modules must be passed.</p>
Honours:	<p>Honours for the Postgraduate Certificate in Surgical Science will be awarded on aggregate as follows:</p> <p>First Class Honours: an aggregate of at least 420/600 marks (i.e. 70% and above)</p> <p>Second Class Honours: an aggregate of at least 360/600 marks (i.e. 60% and above but less than 70%)</p> <p>Honours will not be awarded at the Supplemental Examination or in a Repeat Year.</p>
Exemptions:	All passed modules carry an exemption, which is limited to a period of five years from the date a student originally achieved the exemption.
Supplemental Examination:	<ul style="list-style-type: none"> ○ Please refer to the <i>Book of Modules</i> (www.ucc.ie/academic/modules) for requirements governing the Supplemental Examination for individual modules. <i>Note: for some modules there is no Supplemental Examination</i> ○ Students who fail to achieve the pass standard for the year at the Summer Examination must repeat all failed/absent modules at the Supplemental Examination, where there is provision to do so and if not disallowed by the Examination Board, or in a Repeat Year (see below). Marks from all passed modules are carried forward to the Supplemental Examination. ○ The pass/progression rule is then applied to the combination of marks carried forward in passed elements and marks obtained in repeated modules. ○ <i>Capping of Marks at a Supplemental Examination:</i> In determining aggregation, progression and the calculation of honours, the maximum mark that will be taken into account is a pass (50%). The actual mark achieved by the candidate will be recorded on the student record.
Repeat Year Examinations:	Students who fail to achieve the pass standard for the module may repeat failed modules in the Autumn Supplemental Examination, where there is provision to do so and if not disallowed by the Examination Board, or in a Repeat Year, to achieve the pass standard for the year. All repeated modules at an Autumn Supplemental

	Examination or in a repeat carry a maximum mark of 50%. Please refer to the <i>Book of Modules</i> for the requirements governing the Autumn Supplemental Examination for individual modules. Honours are not awarded in a Repeat Year. Any individual year can be repeated only once.
<i>Three Year Rule:</i>	Candidate must pass/progress within 3 academic years of the date of first registration for each year of programme, otherwise they cannot continue in the programme.

SECOND UNIVERSITY EXAMINATION	
Time:	Marks for all modules, including those wholly assessed by Continuous Assessment, will be presented to the Summer Examination Board. For students failing to achieve the pass standard for the year at the Summer Examination, there will be a Supplemental Examination in Autumn with an Autumn Examination Board. The Research Project (SY6003) will be submitted in September/October and will be considered at the Winter Examination Board. Students failing the Research Project at the Winter Examination Board may repeat the module in a Repeat Year.
Modules:	Students take 60 credits as listed here http://www.ucc.ie/calendar/postgraduate/
Marks Maxima:	300 per fifteen credit module, 600 per thirty credit module. Total Marks: 1200
Distribution of Marks:	Distribution of marks and assessment details (including End of Year Written Examination Profile) for individual modules are contained in the <i>Book of Modules</i> , (www.ucc.ie/academic/modules).
Pass Standard (module level):	The pass standard for each module is 50%. Special Requirements for individual modules are detailed in the <i>Book of Modules</i> , (www.ucc.ie/academic/modules).
Pass and Progression Standard (programme level):	To be awarded the Masters in Surgical Science, students must: (i) Achieve a pass in taught modules to the value of 60 credits. All modules must be passed. Achieve a pass in the 30-credit Research Project module (SY6003) On successful completion of 60 credits across Years 1 and 2, students may opt to exit the programme and be conferred with a Postgraduate Diploma in Surgical Science. To pass the Postgraduate Programme in Surgical Science, a candidate must pass modules to the value of 60 credits (an aggregate of a least 600/1200 marks, i.e. 50% and above).
Honours:	Students are eligible for the award of Honours on the basis of the marks achieved over the Summer and Winter Examination Boards. To be eligible for honours students must pass all modules. Honours for the MCh in Surgical Science will be awarded on aggregate as follows: First Class Honours: an aggregate of at least 1260/1800 marks (i.e. 70% and above) Second Class Honours: an aggregate of at least 1080/1800 marks (i.e. 60% and above but less than 70%) Honours for the Postgraduate Diploma in Surgical Science will be awarded on aggregate as follows: First Class Honours: an aggregate of at least 420/600 marks (i.e. 70% and above) Second Class Honours: an aggregate of at least 360/600 marks (i.e. 60% and above but less than 70%) Honours will not be awarded at the Supplemental Examination or in a Repeat Year.
Exemptions:	All passed modules carry an exemption, which is limited to a period of five years from the date a student originally achieved the exemption.
Supplemental Examination:	<ul style="list-style-type: none"> ○ Please refer to the <i>Book of Modules</i> (www.ucc.ie/academic/modules) for requirements governing the Supplemental Examination for individual modules. <i>Note: for some modules there is no Supplemental Examination</i> ○ Students who fail to achieve the pass standard for the year at the Summer Examination must repeat all failed/absent modules at the Supplemental Examination, where there is provision to do so and if not disallowed by the Examination Board, or in a Repeat Year (see below). The actual mark achieved by the candidate will be recorded on the student record.
<i>Repeat Year Examinations:</i>	Students who fail to achieve the pass standard for the module may repeat failed modules in the Autumn Supplemental Examination, where there is provision to do so and if not disallowed by the Examination Board, or in a Repeat Year, to achieve the pass standard for the year. All repeated modules at an Autumn Supplemental Examination or in a repeat carry a maximum mark of 50%. Please refer to the <i>Book of Modules</i> for the requirements governing the Autumn Supplemental Examination for individual modules. Honours are not awarded in a Repeat Year. Any individual year can be repeated only once.
<i>Three Year Rule:</i>	Candidate must pass/progress within 3 academic years of the date of first registration for each year of programme, otherwise they cannot continue in the programme.

MSc. (AUDIOLOGY) Year One

MSc. (Audiology) (Covers Postgraduate Certificate as exit award)	
Time:	Marks for all taught modules including those wholly assessed by continuous assessment will be presented to the Summer Examination Board. For students failing to achieve the pass standard in any modules for the year at the Summer examinations, there will be supplemental examination in the Autumn, with results to be presented to an Autumn examination board. Module AU6020 Practice Education in Audiology will also be presented at the Autumn examination board.
Modules:	All modules are compulsory. Students must take the following modules : AU6012: Audiological Science and Rehabilitation I (10 credits); AU6013: Audiological Science and Rehabilitation II (10 credits); AU 6014: Information Literacy and Research Strategies (5 credits); AU6015: Medical Sciences for Hearing and Balance I (5 credits); AU6017: Electrophysiology, Acoustics and Amplification I (5 credits); AU6018: Psychosocial dimensions of deafness (5 credits); AU6019: Human Development, Cognition and Communication through the lifespan (5 credits); AU6020: Practice Education in Audiology 1 (15 credits); TOTAL 60 credits, 900 marks Exit Options Upon successful completion of 30 credits, students may opt to exit the programme with a Postgraduate Certificate in Hearing Sciences on condition that all modules are Audiology specific and non-clinical (excluding a research project). Upon successful completion of 60 credits, students may opt to exit the programme with a Postgraduate Diploma in Hearing Sciences on condition that all of the modules are audiology specific and non-clinical (excluding a research project).
Marks Maxima:	100 per five credit module; 200 per 10 credit module; 300 per 15 credit module. Total Marks: 900. AU6020 is assessed on a Pass/ Fail basis.
Distribution of Marks:	Distribution of marks and assessment details (including end of year written examination profile) for individual modules are contained in the <i>Book of Modules</i> (www.ucc.ie/academic/modules/).
Pass Standard (module level):	The pass standard for each module is 50%. Special requirements for individual modules, if any, are detailed in the <i>Book of Modules</i> (www.ucc.ie/academic/modules/).
Pass	To pass Year One the MSc (Audiology) and therefore be eligible to progress to Year 2 of the programme, a candidate must pass all modules for Year One of the programme.
Pass and Progression Standard (programme level):	All modules must be passed. There is no compensation between modules.
Honours:	* Honours for the MSc (Audiology) will be awarded on aggregate as follows: First Class: an aggregate of at least 630/900 (i.e. 70% and above); Honours: an aggregate of at least 540/900 (i.e. 60% and above but less than 70%)

MSc. (Audiology) (Covers Postgraduate Certificate as exit award)	
Exemptions:	All passed modules carry an exemption that is limited to a period of five years from the date a student originally achieved the exemption.
Supplemental Examinations:	<p>Please refer to the <i>Book of Modules</i> (www.ucc.ie/academic/modules/) for requirements governing the Supplemental Examination for individual modules.</p> <p>Students who fail to achieve the pass standard for a module at the Summer Examination must repeat all failed/absent modules at the Supplemental Examination, where there is provision to do so and if not disallowed by the Examination Board. Postgraduate Certificate in Hearing Sciences as an exit award	To obtain a Postgraduate Certificate in Hearing Sciences – level 9, a candidate must pass modules to the total value of at least 30 credits, of which all modules are an audiology-specific module and non-clinical.

MSc. (AUDIOLOGY) Year Two

MSc. (Audiology) (Covers Postgraduate and Diploma and MSc as exit awards)	
Time:	<p>Marks for all taught modules including those wholly assessed by continuous assessment will be presented to the Summer Examination Board. For students failing to achieve the pass standard in any modules for the year at the Summer examinations, there will be supplemental examination in the Autumn, with results to be presented to an Autumn examination board.</p> <p>Module AU6028 Practice Education in Audiology II will also be presented at the Autumn examination board.</p> <p>The Research Project should be submitted to the School/Department by the last working day of July of any year. The Research Project will be considered at the Autumn Examination Board. For students failing to achieve the pass standard in the Research Project, or for students who fail to submit, there will be one opportunity to repeat the project for submission at the following Winter Examination Board.</p>
Modules:	<p>All modules are compulsory. Students must take the following modules:</p> <p>AU6021 Audiological Science and Rehabilitation III (10 credits) AU6026 Audiological Science and Rehabilitation IV (10 credits) AU 6022 Research Methods for Audiology (5 credits) AU6023 Medical Sciences for Audiology II (5 credits) AU6024 Electrophysiology, Acoustics and Amplification II (5 credits) AU 6025 Audiology Research Project (10 credits) AU6028 Practice Education in Audiology II (15 credits) TOTAL 60 credits, 900 marks</p> <p>Exit Options Upon successful completion of 90 credits, students may opt to exit the programme with an MSc in Hearing Sciences on condition that all modules are Audiology-specific and non-clinical (including a research project).</p>
Marks Maxima:	100 per five credit module; 200 per 10 credit module; 300 per 15 credit module. Total Marks: 900. AU6028 is assessed on a Pass/ Fail basis.
Distribution of Marks:	Distribution of marks and assessment details (including end of year written examination profile) for individual modules are contained in the <i>Book of Modules</i> (www.ucc.ie/academic/modules/).
Pass Standard (module level):	<p>The pass standard for each module is 50%. Special requirements for individual modules, if any, are detailed in the <i>Book of Modules</i> (www.ucc.ie/academic/modules/).</p> <p>On the recommendation of the responsible School/Department, an Examination Board may decide that a research project (AU6025) is a borderline pass/fail and may agree to permit the student to make minor corrections to achieve the pass standard for the Dissertation within six weeks of the publication of examination results.</p>
Pass	To pass Year Two of the MSc (Audiology) and therefore be eligible to be awarded the Master of Science in Audiology, a candidate must pass all modules for Year Two of the programme.
Pass and Progression Standard (programme level):	All modules must be passed. There is no compensation between modules.

MSc. (Audiology) (Covers Postgraduate and Diploma and MSc as exit awards)	
Honours:	<p>* Honours for the MSc (Audiology) will be awarded on aggregate as follows: First Class: an aggregate of at least 630/900 (i.e. 70% and above);</p> <p>Honours: an aggregate of at least 540/900 (i.e. 60% and above but less than 70%)</p>

Exemptions:	All passed modules carry an exemption, which is limited to a period of five academic years subsequent to the award of the exemption.
Supplemental Examinations:	Students failing to achieve the pass standard for the year at the immediately preceding Summer Examination in theory modules must repeat all failed/absent modules in the Autumn Supplemental Examination, where there is provision to do so and if not disallowed by the Examination Board, or in a repeat year, to achieve the pass standard for the year in theory modules. Students failing at the Autumn Supplemental Examination may be allowed to repeat the module(s) in a repeat year. All modules taken at a Supplemental Examination, or in a repeat year, carry a maximum mark of 50%. There is no Supplemental Examination for NU6110 clinical practice/practicum module. Students who fail the clinical practice/practicum module(s) must repeat this in a repeat year.
Repeat Year Examinations:	<p>If a student fails to progress and is allowed to repeat the year, the failed/absent/incomplete module must be taken in the Repeat Year. In determining aggregation and progression, all modules taken in a Repeat Year are capped at the pass mark -50%. Honours are not awarded in a Repeat Year. Any individual year can be repeated only once, however, a maximum of two failed years may be repeated during a student's programme of studies (see Two Year Rule below).</p> <p>Fitness to practise requirements must be satisfied in each year or repeat year of the programme. Students not satisfying the fitness to practise requirements must retake the practice placement module.</p>

SECOND UNIVERSITY EXAMINATION in MSc Nursing (Advanced Nursing Practice) (both pathways)	
Time:	<p>Marks for all modules, including those wholly assessed by Continuous Assessment, will be presented to the Autumn Examination Board. For students failing to achieve the pass standard for the year at the Autumn Examination, there will be a Supplemental Examination in Winter with a Winter Examination Board.</p> <p>The Dissertation should be submitted to the School/Department by 31st July. The Dissertation will be considered at the Winter Board. For students failing to achieve the pass standard in the Dissertation, or for students who fail to submit, there will be one opportunity to repeat the dissertation in a subsequent year.</p>
Modules:	<p>Students take 40 credits as detailed at: http://www.ucc.ie/academic/calendar/medicine/med004ab.html</p>
Marks Maxima:	<p>200 per ten credit module, 300 per fifteen credit module; 400 per twenty credit module. Total marks: 600. The Practice Module (NU6116) is assessed on a Pass/Fail basis.</p>
Distribution of Marks:	<p>Distribution of marks and assessment details (including End of Year Written Examination Profile) for individual modules are contained in the <i>Book of Modules</i> (www.ucc.ie/academic/modules/).</p>
Pass Standard (module level):	<p>The pass standard for each module is 50%. Special Requirements for individual modules, if any, are detailed in the <i>Book of Modules</i> (www.ucc.ie/academic/modules/). On the recommendation of the School, an Examination Board may decide that a dissertation is a borderline pass/fail and may agree to permit the student to make minor corrections to achieve the pass standard for the Dissertation within six weeks of the publication of examination results.</p>
Pass and Progression Standard (programme level):	<p>To pass the Second University Examination, students must a) achieve an overall aggregate pass of 50% (i.e. an average of 300/600 marks), b) pass modules to the value of 30 credits c) obtain a pass in the Practice Module (NU6116) (10 credits) d) have satisfied the fitness to practise requirements. For students failing to achieve the pass standard in the dissertation, or for students who fail to submit, there will be one opportunity to repeat the dissertation in a subsequent year.</p>
Modules:	Students take modules to the value of 90 credits as detailed at:
Marks Maxima:	200 per ten credit module, 400 per twenty credit module. Total Marks: 1700. Module MH6003 is assessed on a pass/fail basis
Distribution of Marks:	Distribution of marks and assessment details (including End of Year Written Examination Profile) for individual modules are contained in the Book of Modules (www.ucc.ie/academic/modules/)
Pass Standard (module level):	<p>The pass standard for each of the modules is 50%.</p> <p>On the recommendation of the School, an Examination Board may decide that a dissertation is a borderline pass/fail and may agree to permit the student to make minor corrections to achieve the pass standard for the Dissertation within six weeks of the publication of examination results.</p>
Pass and Progression Standard (programme level):	All modules must be passed. There is no compensation between modules
Honours:	<p>Honours for the year are awarded at the Autumn Examination Board provided the student has passed the Examination and that the student has taken the Examination for the first time and at the first opportunity. Honours will not be awarded to students repeating failed modules at the Winter Supplemental Examination or in a Repeat Year. The Grade of Honours to be awarded shall be determined as follows:</p> <p>First Class: an aggregate of at least 1190/1700 marks (i.e. 70% and above) Second Class I: an aggregate of at least 1020/1700marks (i.e. 60% and above but less than 70%)</p> <p>Second Class II: an aggregate of at least 935/1700 marks (i.e. 55% and above but less than 60%)</p>
Exemptions:	All pass modules carry an exemption, which is limited to a period of 5 years from the date a student originally achieved the exemption.
Supplemental Examination:	<p>Students who fail to achieve the pass standard for the theory modules at the immediately preceding Summer Examination must repeat all failed/absent modules in the Autumn Supplemental Examination, where there is provision to do so and if not disallowed by the Examination Board, or in a repeat year. (please note this programme is run on a cyclical basis). Please refer to the Book of Modules (www.ucc.ie/academic/modules/) for the requirements governing the Autumn Supplemental Examination for all modules. Marks from all passed modules are carried forward to the Supplemental Examination. All modules taken at an Autumn Supplemental Examination carry a maximum mark of 50%. Students failing to achieve a pass judgement (in theory modules) at the Autumn Examination Board will be required to repeat the year (see below), as prescribed by the School of Nursing and Midwifery. Students failing to achieve a pass judgement in the Clinical Practice (MH6003) module at the November Examination Board will be</p>

	<p>required to repeat the year (see below), as prescribed by the School of Nursing and Midwifery.</p> <p>Capping of Marks at a Supplemental Examination: In determining aggregation and progression, the maximum mark that will be taken into account is a pass - 50%. The actual mark achieved by the candidate will be recorded on the student record</p>
<i>Repeat Year Examinations:</i>	<p>Students may repeat the Module(s), where there is provision to do so and if not disallowed by the Examination Board in a Repeat Year. Honours are not awarded in a Repeat Year. Any individual year can be repeated only once, however, a maximum of two failed years may be repeated during a student's programme of studies (see Two Year Rule below).</p>
<i>Two Year Rule (or other rule to apply):</i>	<p>Students must pass/progress within two course cycles of first registration for the programme.</p>

POSTGRADUATE DIPLOMAS

HIGHER DIPLOMA IN MIDWIFERY (for September intake)

HIGHER DIPLOMA IN MIDWIFERY YEAR 1 (for September intake)	
Time:	Marks for all modules, including those wholly assessed by Continuous Assessment, will be presented to the Summer Examination Board. For students failing to achieve the pass standard for the year at the Summer Examination in Part A there will be a Supplemental Examination in Autumn with an Autumn Examination Board. Part B: Results for Part B (NU5088) will be presented to the Summer Examination Board. For students failing to achieve the pass standard for the year at the Summer Examination in Part B, and depending on the nature of the failed components, there will be a Supplemental Examination in Autumn with an Autumn Examination Board.
Modules:	Students take 50 credits as detailed at: http://www.ucc.ie/academic/calendar/medicine/med004ab.html
Marks Maxima:	100 per five credit module, 200 per ten credit module. Total Marks: 800. The Practice Module (NU5088) is assessed on a Pass/Fail basis.
Distribution of Marks:	Distribution of marks and assessment details (including End of Year Written Examination Profile) for individual modules are contained in the <i>Book of Modules</i> (www.ucc.ie/academic/modules/).
Pass Standard (module level):	The pass standard for each module in Part A is 50%. The pass standard for Part B (NU5088) is a Pass Judgement. Special Requirements for individual modules, if any, are detailed in the <i>Book of Modules</i> (www.ucc.ie/academic/modules/).
Pass and Progression Standard (programme level):	To pass the First Year University Examination and progress to Second Year, a candidate must: obtain an overall aggregate pass of 50% (i.e. 400/800 marks) across all modules in Part A, obtain a pass in each module in Part A in modules to the value of at least 30 credits from 40 credits, obtain a mark of not less than 45% in any remaining module(s) obtain a pass in the Practice Module (NU5088).
Honours:	Honours: Honours for the year are awarded at the Winter Examination Board provided that the student has passed Parts A and B of the Examination and that the student has taken the Examination for the first time and at the first opportunity. The Grade of Honours to be awarded shall be determined as follows: First Class: an aggregate of least 560/800 marks in Part A (i.e. 70% and above) + a Pass in Part B Second Class Honours Grade I: an aggregate of at least 480/800 marks in Part A (i.e. 60% and above but less than 70%) + a Pass in Part B Second Class Honours Grade II: an aggregate of at least 440/800 marks in Part A (i.e. 55% and above but less than 60%) + a Pass in Part B
Exit award:	In situations where the student does not complete the Practice Module (NU5088) a student may exit from the programme after successful completion of 30 credits, and be awarded a Certificate in Women's Reproductive Health. This does not confer eligibility to practice as a Registered Midwife. To pass the Certificate in Women's Reproductive Health students must (i) achieve an overall aggregate pass in theory modules of 300/600 (i.e. average of 50%) across all modules; (ii) pass modules to the value of at least 25 credits (from a total of 30), with not less than 45% in any failed modules in theory modules.
Exemptions:	All passed modules carry an exemption, which is limited to a period of five academic years subsequent to the award of the exemption.
Supplemental Examinations:	Please refer to the <i>Book of Modules</i> (www.ucc.ie/academic/modules/) for requirements governing the Supplemental Examination for individual modules. Note: for some modules there is no Supplemental Examination. Students who fail to achieve the pass standard for the year (Parts A and B) at the immediately preceding Summer Examination must repeat all failed/absent modules at the Supplemental Examination, where there is provision to do so and if not disallowed by the Examination Board, or in a Repeat Year (see below). Marks from all passed modules are carried forward to the Supplemental Examination.

HIGHER DIPLOMA IN MIDWIFERY YEAR 1 (for September intake)	
	<p>The pass/progression rule is then applied to the combination of marks carried forward in passed modules and marks obtained in repeated modules.</p> <p>Students who do not achieve a pass standard at the Supplemental Examination will be required to repeat the year</p> <p><u><i>Capping of Marks at a Supplemental Examination:</i></u> In determining aggregation the maximum mark that will be taken into account is a pass - 50%. The actual mark achieved by the candidate will be recorded on the student record.</p>
<i>Repeat Year Examinations:</i>	<p>If a student fails to progress and is allowed to repeat the year, all failed/absent modules must be taken in the Repeat Year. In determining aggregation and progression, all modules taken in a Repeat Year are capped at the pass mark - 50%. Honours are not awarded in a Repeat Year. Any individual year can be repeated only once, however, a maximum of two failed years may be repeated during a student's programme of studies (see <i>Two Year Rule</i> below).</p>
<i>Two Year Rule:</i>	<p>Students of Midwifery must pass/progress within two academic years of first registration for each year of the programme, otherwise they cannot continue in the programme. After failing a resit examination, students may be allowed to repeat the year. Any individual year can be repeated only once, however, a maximum of two failed years may be repeated during a student's programme of studies. Thus, students must complete their studies ordinarily within four years of registering for the First Year of the Postgraduate Diploma in Midwifery programme.</p>

First: an aggregate of at least 630/900 marks (i.e. 70% and above). Second Class: I an aggregate of at least 540/900 marks (i.e. 60% and above but less than 70%) Second Class II: an aggregate of at least 495/900 marks (i.e. 55% and above but less than 60%) Honours will not be awarded to students repeating failed modules at the Autumn Supplemental Examination, or in a repeat year.
Exemptions:	All passed modules carry an exemption, which is limited to a period of five years from the date a student originally achieved the exemption.

<i>Supplemental Examinations:</i>	Students who fail to achieve the pass standard for the year at the immediately preceding Summer Examination must repeat all failed/absent modules in the Autumn Supplemental Examination, where there is a provision to do so and if not disallowed by the Examination Board, or in a repeat year. Please refer to the Book of Modules (www.ucc.ie/academic/modules) for the requirements governing the Autumn Supplemental Examination for all modules. Students who fail the clinical placement element of the module NU6047, or who fail to complete the required clinical hours by the Summer Examination Board, will be required to complete these during the summer period as prescribed by the School for consideration at the Autumn Examination Board. Students failing the Community Portfolio element of the module NU6047 may revise and resubmit the Community Portfolio for the Autumn Supplemental Examination as prescribed by the School. Students failing NU6047 at the Autumn Examination Board must repeat the full module in a repeat year and submit an alternative Community Portfolio in the repeat year, as prescribed by the School of Nursing and Midwifery. All modules taken at an Autumn Supplemental Examination or in a repeat year carry a maximum mark of 50%. After failing a resit examination, students may be allowed to repeat the year.
<i>Two year Rule:</i>	Students must pass/progress within two academic years of first registration of the programme.

POSTGRADUATE DIPLOMA IN PRACTICE NURSING

	FIRST UNIVERSITY EXAMINATION IN A POSTGRADUATE DIPLOMA IN PRACTICE NURSING (30 credits per year)
Time:	Marks for all modules, including those wholly assessed by Continuous Assessment, will be presented to the Summer Examination Board. For students failing to achieve the pass standard for the year at the Summer Examination, there will be a Supplemental Examination in Autumn with an Autumn Examination Board. Marks for Clinical Practice modules will be presented to the Summer and/or Autumn Examination Board, with no Supplemental Examination.
Modules:	Students take 30 credits per academic year as detailed at: http://www.ucc.ie/calender/postgraduate/PGDiplomas/xxxxx/xxxxxx
Marks Maxima:	100 per five credit module, 200 per ten credit module. Total Marks 500. The Clinical Practice module is assessed on a Pass/Fail basis
Distribution of Marks:	Distribution of marks and assessment details (including End of Year Written Examination Profile) for individual modules are contained in the <i>Book of Modules</i> , (www.ucc.ie/academic/modules/).
Pass Standard (module level):	The pass standard for each module is 50%. Special Requirements for individual modules, if any, are detailed in the Book of Modules (www.ucc.ie/academic/modules/).
Pass and Progression Standard (programme level):	To pass the First University Examination and progress to Second Year, a candidate must: (i) obtain an overall aggregate pass of 50% (i.e. 250/500 marks) across all modules, (ii) obtain a pass in each module in modules to the value of at least 25 credits, (iii) obtain a mark of not less than 45% in any remaining module(s), (iv) must pass the relevant Clinical Practice Module
Honours:	Honours are not awarded in Years 1. Honours for the programme are awarded at the end of Year 2. Marks awarded in Year I will be carried forward for the calculation of Honours in the final Postgraduate Diploma in Practice Nursing Award.
Exemptions:	All passed modules carry an exemption, which is limited to a period of five years from the date a student originally achieved the exemption.
Supplemental Examinations:	Students who fail to achieve the pass standard for the year at the immediately preceding Summer Examination must repeat all failed/absent modules at the Supplemental Examination, where there is provision to do so and if not disallowed by the Examination Board, or in a repeat year (see below). Marks from all passed modules are carried forward to the Supplemental Examination. The pass/progression rule is then applied to the combination of marks carried forward in passed modules and marks obtained in repeated modules. Capping of Marks at a Supplemental Examination: In determining aggregation the maximum mark that will be taken into account is a pass - 50%. The actual mark achieved by the candidate will be recorded on the student record.
Repeat Year Examinations:	If a student fails to progress and is allowed to repeat the year, all failed/absent modules must be taken in the repeat year (<i>please note this programme is run on a cyclical basis</i>). In determining aggregation and progression, all modules taken in a repeat year are capped at the pass mark -50%. Honours are not awarded in a repeat year. Any individual year can be repeated only once, however, a maximum of two failed years may be repeated during a student's programme of studies.
Three Year Rule:	Candidates must pass/progress within 3 academic years of the date of first registration for the Programme, otherwise they cannot continue in the programme.

Explanatory Note:

The Grade Descriptors below are offered as indicative descriptors. It is accepted that these indicative descriptors are particularly appropriate for examinations based on essay-type questions but may be found less suitable for examinations in subjects where there are detailed marking schemes. The Senate recommends that these Grade Descriptors be circulated to all Faculties with a view to encouraging those Faculties which may not already have done so, to formulate their own Grade Descriptors, in consultation with their counterparts in the other Constituent Universities, and other Faculties which have already adopted Descriptors, to review these, also in consultation with their counterparts in the other Constituent Universities, thus achieving harmonisation of Descriptors for the examination of their subjects.

Traditionally, under Marks and Standards, provision has been made for a student failing in one or more subjects in an examination, to pass the examination by compensation, where he/she has double the deficiency of marks available in another subject or in other subjects. It is recommended that provision for 'pass by compensation' be continued, in accordance with such conditions as may be set out in Marks and Standards by Faculties. The application of the provision should be facilitated by the above descriptions with particular reference to the Descriptor for the *Fail (45-49) Marks Band (College of Medicine and Health).
